Imperialism – Comparative Analysis

1. Write an introduction which includes:
    - a definition of Imperialism
    - an overview (summary) of how countries imperialized other places (hint: use PERSIA as a basis for your discussion)
2. Write a comparative analysis paragraph between Imperialism in Africa verses Imperialism in China. Be sure to include:
    - an overview of China and Africa before imperialism
    - The use of three (3) categories in PERSIA
    - Within each category a comparison of details from three (3) sub-categories of PERSIA
    - detail and evidence must be concise and not vague
